

NOTICE!

Peakview Park will be closed due to construction activity beginning February 28th through June 15th, 2022. The completion date may change if any weather delays occur.

All pathways and the parking lot will be closed while the park is under construction. For your safety, for the safety of construction personnel, security of equipment and materials, in compliance with our permits, and to help the project conclude as quickly as possible, please respect all construction fencing and signage during this time.

If the park is your typical pathway to walk home from school or work, please plan to use alternative routes from March through June.

New improvements being installed at the park include:

- a new irrigation system
- playground equipment
- pickleball court
- tennis court resurfacing
- plant material

If you have any questions, please reach out to the Cherry Creek Vista Park and Recreation District Management at 303-482-1002 or info@ccrider.us

We appreciate your patience while the park is under construction!
