

Cherry Creek Vista
Park and Recreation District

IMPORTANT UPDATES FOR POOL FACILITY OPENING, MEMBERSHIP REFUND, SWIM TEAM, AND FUTURE REGISTRATION!

Dear Cherry Creek Vista Park and Recreation District Orchard Pool Members
and Vikings Swim Team Members,

Thank you

First, we would like to extend a sincere THANK YOU to all of you for your support and patience as we navigate the construction of the swimming pool, community room, locker room and concessions remodel as the many obstacles have been and continue to be navigated. We know that this has been an inconvenience for many, but the end result will be worth it!

Schedule Update

At the District's last Board meeting, a timeline update for construction completion was provided, with an anticipated Grand Opening date sometime in the last week of June. We know that opening day will be later than our typical date of public opening over Memorial Weekend. While we are aware this is later than we hoped, weather permitting, the pool could remain open later into this year, so members may not have lost use of the facilities.

TCO Permit

We had hoped to obtain a temporary certificate of occupancy from Arapahoe County so that we could open the large pool ahead of Memorial Day, but have not been successful up to this point. The District will continue to pursue this request and will provide updates to our pool members and email subscribers, if and when this option develops further.

Vikings Swim Team

Additionally, many of our pool members are also part of the Viking Swim Team. We are securing pool facility space alongside the Swim Team for the

team to practice so there will be as little interruption or change to their swim season as possible and are in the process of reserving pool time at Cherry Creek High School.

Again, we are very grateful for all the support from everyone throughout this process, and we thank you for putting your trust in us to make the right decisions along the way. The Board has been diligent in its duty to make this project as efficient, safe and thoughtful as possible, and thanks you all for your input and trust in funding this important project, which will have lasting benefits for many years!

Refund Policy

A full refund will be made to anyone who had registered for the pool thus far. Requests for refund is NOT necessary. Note that any requests regarding swim team matters must be made directly to the Vikings Swim team.

Moving forward, **all season membership registration will be closed for the time-being, until a date for opening is better understood.**

Membership sign-up will be re-opened after the Board has met to further assess delayed start. At its Regular June 16 meeting, the Board plans to discuss appropriate rates for this Summer. If it is determined that a Special meeting is needed before this time, a meeting may be scheduled.

For those who choose to join the Vikings Swim Team this season, pool membership (family or individual), is ***requested*** when registration re-opens, as the District is contributing funds to the swim team for their regular budget and practice/meet rentals at other facilities.

Anyone who has already reached out will be contacted directly next week if there are questions beyond refunding of memberships, and need not reach out again regarding refund requests. The best method of contact for inquiries is via email: info@ccrider.us.

Thank you all for your participation, cooperation, and flexibility!
